Marvel Comics Journal

Bruce Wayne, Clark Kent and Anthony Stark

November 15, 2016

Dear Editor and Reviewers,

We thank you < message to editors and reviewers >. In the remainder of this document, we describe the changes that we have made to the paper for resubmission.

Response to Editor

E.1 This is the normal editor comments

Response: This is a response from authors.

```
<<Section 1.0, Introduction>>  
...This is used for some quotes to the changed manuscript....
```

This is a comment without the Response prefix, usually after a inline text

Response to Reviewer R1

R1.1 This is the normal reviewer comments

Response: This is a response from authors. At the bottom we have a reference to related responses

[Related responses: E.1]

R1.2 This is the normal reviewer comments

Response: This is a response from authors. This response will be abit longer. This is a response from authors. This response will be abit longer. This is a response from authors. This response will be abit longer. This is a response from authors. This response will be abit longer

Minors:

- p2: footnote 2 is out of sync ✓ fixed -add for some readers

Response to Reviewer R2

R2.1 This is the normal reviewer comments
Response: This is a response from authors.

Conclusions

Final message to editor and reviewers.

Kind regards,
The Authors
